*We support the organisations which are fighting the problem of overfishing and struggle for sustainable fishing resources management and therefore adjust our fish offers to the seasonal and general availability of the various kinds of fish and seafood. Endangered species will not be part of our manual. Our eels originate from breeding farms. Our main manual shows an all-season offer of salmon, fried herring & matjes. Depending on the seasonal availability, we also provide limandes, plaices, dover hake, trout, redfish, haddock, monkfish, sprats, zander, mussels, smelts, squids & catfish, always in smaller quantities for the benefit of freshness. We may thus not be able to meet your requests at all times hoping for your understanding.*
